WELCOME TO REVOLVE24 2018

Revolve24 is a great challenge for anyone to undertake – whether you are entering as a soloist or in a team of eight. Some of you will be racing hard to break records and win your categories, whilst others will want to do as much as you can to raise awareness and funds for your charity.

The majority of riders will be undertaking an Endurance Challenge, whilst others of you will be joining us for our Team Time Trials or British Cycling's Youth Circuit Series Final – something for everyone we hope.

We want to create a memorable event for all involved – without creating a whole load of rules that get in the way of people's enjoyment and fun. Provision has been made to cater for a large number of riders to be accommodated in and around the track and camping areas, whilst the pit garages and paddock areas are great places to hang out with your team, get ready for racing and chat to your fellow participants.

Where we have created rules these are for the safety of all taking part. Guidance for the using the Pit Garages and off the track is to allow everyone to enjoy being at this fabulous venue and experience all it has to offer. Please follow these simple rules and the advice or instruction offered by our team, as it will help us all get the best experience for everyone.

For our 24hr Challenge Participants our **24 MILES PRIZE DRAW** is bigger and even better than last year – all you need to do is complete 24miles (10 Laps) and you'll get a free entry in the random draw. The more laps you do the more entries you'll get. There is over £7,000 of prizes on offer, but you must be present at the prize giving to win.

We know that all our team riders like riding together so this year there is a **TEAM RIDE OPPORTUNITY** during the last 30 minutes of the 24hr and 6hr Challenges. With one rider still being timed on the track **as long as you have returned your timing chip** you will be able to join them to celebrate your weekends achievements. Please remember if you are touring round that there may be riders who are still riding hard – please do not get in their way!

We're also really pleased to welcome the team from British Cycling on Saturday 15 September who will be delivering their "Ready Set Ride" (2 – 5 Years) and "Go Ride" (6 – 14 Years) on the Kart Track - so there's something for them as well.

Thanks in advance for your co-operation in helping us make this event a success – and hopefully a fixture in the racing calendar for years to come. With common sense, good humour and helpfulness all round we're sure we'll all enjoy a great weekend.

We are all looking forward to seeing you at Brands Hatch.

Revolve24 Team

KEY STAFF CONTACT DETAILS

We work as a team to make your experience as enjoyable as possible – basically Vicki and Huw do everything they can to ensure things run smoothly around the venue whilst Simon makes sure all is fair and safe on the track.

They will be on the track from 09:00am until just after 13:00.

It is asked that no other riders attempt to enter the circuit during their races for obvious reasons – the orientation for Challenge Race riders will take place shortly afterwards

RULES AND REGULATIONS

ALL EVENTS:

All events at Revolve 24 Brands Hatch are organized under the Rules & Regulations of British Cycling.

Our priority in delivering our Challenge events is to ensure all riders have a safe and enjoyable experience whilst testing their physical and mental limits.

In order to create the authentic race experience the Revolve24 Brands Hatch event is registered with British Cycling and therefore follows the British Cycling rules and regulations, a full version of these is available on their website (https://www.britishcycling.org.uk/about/article/bcst_rulebook_and_constitution).

As an Endurance Relay event we have developed additional rules and guidance that can be found here: <http://www.revolve24.com/challenge-event-rules>.

It is compulsory for all riders to read, and acknowledge they have read, the Revolve24 rules when they register.

ON TRACK SAFETY

Revolve24 offers an excellent traffic free environment for cycling and we're lucky to have a wide range of abilities in our events so we thought a few tips may prove invaluable for you:

- Take your time to get to know the circuit and corners, not rushing the corners until you have a good understanding of the line to take
- Give one another space
- Pass and be passed safely: When passing riders on the corners, the passing rider should take an outside line to pass the slower rider(s). No undertaking is allowed
- There are no short cuts permitted at any point
- Riders should not ride erratically at any time, including unnecessary and unpredictable changes in direction or braking may lead to accidents
- Eat and drink on flat sections and away from corners, better still focus on this in your downtime. Please do not litter on the track – carry rubbish back to the garages.
- Carry your own spares to get you back to the pits
- Once on the course (including the pit lane) all riders must follow the course in the racing direction. Only one rider per team is allowed on the course at a time during the race
- Non-racing riders **MUST NOT** ride on the course, including the pit lane, at any time
- Under certain circumstances there may be a requirement to bring vehicles onto the circuit, for example to attend to a medical incident. Should this happen please move to the side of the track and allow the vehicle to pass you quickly and safely
- Bike maintenance and warm up should also be done outside the garage itself
- More expansive areas for warm ups can be found by cycling through the tunnels and onto the various paths and roads within the Brands Hatch venue

British Cycling have some excellent resources online and we'd recommend taking a look:

- Race Smart - <https://goo.gl/xZQDUv>
- Sportive tips - <https://goo.gl/efk1Qj>

In exceptional circumstances the Race Director may choose to temporarily neutralise, or stop the Challenge -. This will be communicated to riders by the following ways:

- **Marshalls showing a A YELLOW FLAG indicates an obstacle, proceed with caution**

- **If all marshals are waving A YELLOW FLAG, the race is neutralised, riders should continue to circulate slowly and safely around the circuit**
- **If all marshals are waving A RED FLAG, the race has been stopped, riders should continue slowly back to the pits and await further instructions**

EQUIPMENT

It is the responsibility of each rider to ensure that your bike is in suitable condition for the event, and that you have the relevant spares required to get you through the weekend.

Please read the Bike Eligibility guidelines if you are in any doubt (<http://revolve24.com/bikes-eligibility-and-lights-guidance>). Failure to comply with these regulations may result in exclusion.

LIGHTING

There will be no significant lighting anywhere on the circuit (see <https://goo.gl/srNtaV>)

It is the Participant's responsibility to ensure their lights remain charged and switched on in the dark and at other times when the Race Director deems necessary.

Any riders with lights considered inappropriate will be removed from the circuit for their own safety.

Front Light Guidance: Participant's should use a high-powered front bicycle light for use in the dark, which provide adequate light to both see the track in front of them

Rear light guidance: Low powered rear lights should be used and **never** on a flashing setting – enough to be seen but not cause blinding or a distraction

THE PIT LANE

The Pit Lane is used as the transition area for all Challenge Events – as such it can become very busy, so please follow this guidance:

PIT LANE: RIDERS

Please pay attention to other riders and any pedestrians through the pit lane.

Transitions should take place ONLY on the right hand side of the pit lane, in front of Riders' Garages

All riders entering the circuit for a transition should wait for their teammate at the white line between the grey concrete and black tarmac

No Riding (by the racing rider) should take place on the concrete area immediately in front of the garages

Riders transitioning should ensure that they do not obstruct other riders in the transition zone

No Running or Push Starts are permitted

Under no circumstances should riders ride against the flow of the circuit in the pit lane.

In order to ensure that this remains safe for all riders we have two critical rules in place:

- You CANNOT record a fastest lap when you complete a lap into, or out of, the pit lane – this will be monitored by the timing system and in turn by the Race Director.
- There is a strictly imposed speed limit in the pit lane (15mph / 24kph) a speed display will be prominently displayed. Penalties may be applied for exceeding the speed limits.

PIT LANE: PEDESTRIANS

Pedestrians in this area must be vigilant to riders.

When crossing the pit lane to the pit wall please ensure you do so with extreme care, ensuring riders are not obstructed.

During the night it is advised that all non-riders wear reflective clothing in the Pit Lane.

PENALTIES

At the sole discretion of the Race Director, penalties may be imposed on Riders / Teams not adhering to the Rules.

Random checks will be made to ensure compliance with security and safety regulations. Penalties can also be imposed, up to disqualification, for cheating or unsporting behavior – especially when fellow rider safety is jeopardised.

Persistent minor offences attract incremental penalties – severe offences (e.g. Dangerous Riding) can lead to instant disqualification.

Offences that may attract penalties include:

- Speeding in the Pit Lane
- Not wearing a Helmet
- Dropping objects around the course
- Starting before the flag drops
- Not using a light during the night-time period
- Inappropriate or Unsporting behaviour towards other participants
- Use of radio communications with riders
- Non-conforming equipment
- Dangerous riding

First Offence: Formal Warning (Held in Pit Lane Penalty Box for 30 Seconds)

Second Offence: 1 Lap Penalty

Third Offence: Disqualification from Challenge

TIMING

PRO CHIP TIMING

All our events use Pro Chip timing to make our results as accurate as possible. These chips themselves will be affixed to the bike by Revolve24 Crew by the **REVOLVE24 GARAGE**.

They are very expensive and **MUST** be returned after your event.

Failure to return the chip will result in a £75 charge.

TEAM RIDE OPPORTUNITY

We know that all our team riders like riding together so this year there is a **TEAM RIDE OPPORTUNITY** during the last 30 minutes of the 24 hour and 6 hour Challenges.

With one rider still being timed on the track **as long as you have returned your timing chip** you will be able to join them and the rest of your team to celebrate your weekend's achievements.

Please note that whilst the laps of the timed rider will still count no fastest laps or KOM / QOM can be achieved during this time.

Please also note that if you are taking a leisurely approach to your final laps that there may be others who are still racing hard to meet their challenge target or win their race – please be respectful of them and do not hinder or get in their way when choosing your racing line.

Also note that any teams with more than one chip registering on the track will receive a two lap penalty – so please remember to take them off and hand them back in!

LIVE EVENT TIMING

A live timing feed of the events can be found on the REVOLVE24 APP – found by entering the Brands Hatch Tile and touching the three circles on the far right of the index bar and then touch results.

It is also available on our website www.revolve24.com/race-tracking-and-results

Post event data will also be available on the same sources.

RIDER NUMBERS

You will be issued with a Race number (all riders) and a Bike Plate (Endurance Riders only).

Rider Numbers will identify Individuals Challenge Competing in / Riders / Teams / Category of Competition within the Endurance Challenges.

Your Bike Plate should be fixed and be clearly visible on your handlebars allowing the event photographer to clearly identify you – and you to access your free photographs (see **EVENT PHOTOGRAPHY**).

If you require assistance to get the numbers attached correctly please ask any member of the Revolve24 team.

Rider numbers must be worn at all times on the lower back of the jersey.

GENERAL ARRIVAL, ACCESS AND REGISTRATION

Brands Hatch will be very busy during the weekend – so please adhere to the following guidance to allow cars, bikes and pedestrians to live comfortably side-by-side:

- Access and Exit is only via the main Brands Hatch Entrance
- Access to the Paddock / Media Centre on foot is via the Pedestrian Tunnel or by bike via the tunnels
- Park where directed by marshals

No vehicle will be able to enter the Paddock without a clearly displayed pass obtained at registration

Under no circumstances are participants allowed to take their vehicle around the track; anyone doing so will be removed from the event immediately.

Upon arrival you should park where directed and then make your way to registration on foot via the pedestrian tunnel where you will receive all your relevant documents, rider numbers and garage allocation. Registration is held in the following locations:

Endurance Challenges - Media Centre in the Inner Paddock

4UP TTT – Directors Terrace by the entrance to the Pedestrian Tunnel

BC Youth Circuit Series – Media Centre on Friday night and MSV Main Offices on Saturday Morning

PARKING

For riders of the Challenges events only: If you wish to park any vehicle (car, motorhome, van) in the Paddock area the weekend a **Premium Paddock Pass** can be bought via Active or on the day from the MEDIA CENTRE – elsewhere parking is free.

Upon arrival you will be directed to either the short stay car park where you can leave your car whilst you register or to the campsite to find a pitch.

In the camp sites you are able to park your car next to your tent, but please be considerate and aware if you need to move it during the weekend.

If you require an electric hook up for your campervan/motorhome, outside of the Paddock area, these may be also be found on the Lower Paddock area – ask and you will be directed there upon arrival.

CAMPING

All participants can camp for free and choose between “normal” and “quiet” camping areas. Both have toilets conveniently situated, and neither are far away from anything.

The “normal” camp site is situated closer to the shower blocks. Using the pedestrian tunnel the Paddock area is a maximum 10 minute stroll / 2 minute gentle ride away. The “quiet” camp site is also a 10 minute stroll / 5 minute gentle ride to the Paddock area.

If you have pre-booked a tent you will be told where it is, otherwise you will be guided to an area where you can pitch your tent.

RIDER REGISTRATION: ALL EVENTS

Registration for all events will take place in various locations at allocated times (see schedule of your specific event).

For registration in all races you will need:

- Photographic Proof of Identity (e.g. Work ID, Driving Licence) – not required if you have BC membership card
- To Sign Registration Document and Event Disclaimer

Once registered you will be provided with:

- Individual Race Number(s) & pins
- Individual Bike Plate and cable ties
- Individual Timing Chip (these must be returned upon completion of the race or you will be charged £75) – you must take these and your bike to the area by the Revolve24 Garage (garages 1 and 2) where our Crew will fix them to your bike for you
- Participant Wrist Band – Endurance Races – 24 hour (green), 12 hour (red), 6 hour (orange)
- Crew Member Wrist Band(s) (blue) – Endurance Races
- Your Team Pit Garage Number – 24 & 12 Hour Challenges
- Any vouchers for pre-bought items (e.g. Sports Massage / Premium Paddock Parking Pass)
- If you are a team captain or a soloist during the 6hr, 12hr and 24hr Challenges you will also be provided with a “Slap Band” that will be your team’s “Baton” to be used during the race (to be placed somewhere visible)

Challenge Riders will be able to pick up a Dropoff Parking Pass which will allow them entry into the Paddock area for a **maximum of 10 minutes** to drop off kit in the garage before returning your car to the outer area parking.

THE PADDOCK

The Paddock area is the heart of the weekend – containing Registration, Massage Services, Food, Toilets, Mechanical Support and the Team Pit Garages.

To enjoy a safe weekend we must ensure that pedestrians, cyclists and vehicles get on.

As such we ask your help in adhering to the following guidance and instruction as to when vehicles can enter the Paddock, how long they can stay and when they can leave.

- Only vehicles clearly displaying a **Temporary** or **Premium Paddock Pass** will be allowed to enter (either across the track or via the tunnels according to vehicle height) – these will be handed to you at registration.
- Subject to availability, passes can be bought in advance or when you register (see **PREMIUM PADDOCK PASSES**).
- If using the Paddock Area with a **Premium Paddock Pass** once parked in its allotted space, please do not move your vehicle until instructed to by stewards or it is time to leave on Sunday afternoon.
- All passes must be completed and left in clear view whilst parked in the Paddock.
- Please comply with the any requests by our marshals – they're just trying to make it good for everyone

PREMIUM PADDOCK PASSES

Can be bought, subject to availability, from Active or the Registration Desk in the **MEDIA CENTRE** (payment by cash or card) for the following events / amounts:

24hr Challenge: £75 with an electric hook-up and £60 without, per vehicle, through your Active registration site – link at the bottom of your confirmation email.

12hr Challenge: £75 with an electric hook-up and £60 without, per vehicle, through your Active registration site – link at the bottom of your confirmation email. Vehicles over 2.2 metres will not be able to exit the Paddock area until 16.00 hours on Sunday 16 September when the track is accessible.

6hr Challenge: £25 per vehicle bought at Registration, subject to availability.

The passes entitle you to park your vehicle (Car or Motorhome) in the area behind the Pit Garages close to your Pit Garage as directed by marshals.

If you are bringing an RV into the Paddock for the weekend, please be aware that the area is on a slope and you will need to level your RV.

All **Premium Paddock Pass** holders will be handed a form at registration – to be completed with your name and contact number and **clearly displayed in the windscreen of your vehicle at all times.**

DROP OFF PADDOCK PASSES

Temporary Paddock Parking Passes are available from Registration – allowing a 10 minute drop off in the Paddock close to your garage.

This should be displayed prominently in your windscreen on entering the vehicle tunnels and handed back when exiting the Paddock area.

HIGH SIDED VEHICLES PADDOCK ACCESS

Due to the nature of the tunnels at Brands Hatch there are height restrictions on vehicles **ENTERING (3.3metres)** and **EXITING (2.2metres)**

Any vehicle that exceeds these limits will have to gain **ENTRY AND EXIT** access across the track itself at set times and **by prior arrangement** with the event organisers (Contact R24team@revolve24.com):

- 18.30 to 21.00 on Friday 14 September
- 07.00 to 07.20 on Saturday 15 September
- 13.30 to 13.50 on Saturday 15 September

EXIT from the track for **High Sided Vehicles** will be after the 24hr Challenge finishes and between the hours of:

- 16.00 and 17.30 on Sunday 17 September

PIT GARAGES

The Garages are busy hubs of activity: Preparing for your stint on the track, doing kit checks, refuelling, helping team mates or having a laugh – simply the place to be.

Garages are shared with other riders – supporting your fellow racers is all a part of the spirit of Revolve24 and this will help make everyone's experience a positive one.

- Pit Garages are accessible from 07.00 on Saturday 15 September and only to participants and supporters in possession of Pit Crew Passes.
- Please be considerate of others during your event in terms of what you bring into the garage.
- Having a short nap in the Pit Garages is fine but there is not enough room for long sleep – portable beds will not be permitted in the Garages.
- Please take advantage of the other options for getting proper rest during the challenge (including purchasing a Premium Paddock Pass, sleeping in the camp site or booking a room at the nearby Brands Hatch hotel).
- Fold up chairs are permissible but one each is not required (soloists excepted!) and cannot be accommodated.
- Electrical appliances for preparation of food are not permitted in the garages – there are microwaves and urns with hot water available in the Media Centre.
- All garages contain plenty of running water and power points – please feel free to bring adaptors of your own.

We'll be on hand to guide as to what is reasonable – please use a degree of common sense for the benefit of everyone.

PIT GARAGE ALLOCATION

Pit garage allocations for the 24hr and 12hr Challenges will be available in the Media Centre from 0700 on Saturday morning, there will be no pit garage access on Friday night.

Participants and competitors in the 6hr Challenge will be housed in the **SCRUTINEERS GARAGE** (situated at the far end of the Paddock area)

CREW PASSES

To improve your Challenge experience we limit access to the Pit Garages and the Media Centre (where you can get your tea and coffee) to riders and holders of Pit Crew Passes.

These are available for purchase for £20 (£10 for 6 hour Crew Members) via the MyActive website (you will find your link at the bottom of your confirmation email). Crew Members will be identified by a Blue Wrist Band.

SITE SECURITY

Whilst only Participants and Crew Pass holders will be able to enter the Pit Garages all property left in the garages is done so at the owner's responsibility.

Revolve24 accepts no liability for any loss or damage to equipment belonging to any individual attending the event.

BIKE RACKING

Ample bike racking will be provided immediately outside the pit garages.

We would ask that participants make use of these facilities when not riding, rather than take bikes in the pit garages.

Bikes are left at owners risk and a suitable lock would be advisable.

INTERNET

Wi-Fi will be available in the Pit Garages, Paddock Area and Media Centre. The code for access is "**REVOLVE24**"

CATERING

Whether self-catering, having a BBQ in the campsite, preparing your own food in your motorhome or using our food providers, there are numerous ways you can fuel yourself during the weekend.

There are also several food options available to you over the course of the weekend located in the **PADDOCK** - seating areas are available.

All Challenge Participants and Crew Members will have access to snacks and hot drinks which can be found in the **MEDIA CENTRE** where you will be able to sit in comfort, whilst enjoying a view over the track.

You will also be able to bring food (either your own or purchased from the vendors in the Paddock) into the **MEDIA CENTRE**.

Microwaves and urns with hot water will be provided in the **MEDIA CENTRE** for you to warm your own food – removing the need for you to bring kettles, microwaves or any other form of electrical cooking device into the Pits – which will not be permitted from a safety perspective.

On Friday 14 September food and drink will be available at Brands Hatch from 18.00 until 22.30

COOKING

Cooking Appliances are permitted in the various locations in the venue as described below

	Pit Garage	Paddock	Camping Areas	Media Centre

(*) Gas Stoves are permitted for vehicles parked on the **PADDOCK OUTER FENCELINE** but they MUST be kept a safe distance away from vehicles and away from other traffic users

FOOD VENDORS:

Most of our food vendors will take on the challenge of providing food throughout the night from the **FOOD VILLAGE** situated at the entrance to the Paddock area, close to the **PIT GARAGES**, **MEDIA CENTRE** and **OUTDOOR SEATING AREA**

Food will be available from 07.00 on Saturday to 16.00 on Sunday

GOURMET GRIDDLE will be providing meat and halloumi wraps, meaty chips and salad boxes.

HAPPY HEREFORDS provide fully loaded, gluten-free burgers made from beef from their own cows – as healthy as a burger can get! Gluten-free rolls will also be available. 'Breakfast rolls' will be available 24 hours a day.

FOXY'S WOOD FIRED PIZZA'S provide great pizzas from their wood fired oven.

THE PASTY TRAM will be serving Pasties and Pies – true cycling fuel!

ICE CREAMS AND WAFFLES will also be on hand for the sweet toothed providing yummy treats!

GIRO CAFE will be providing freshly made coffee, teas, wraps and super salads.

All our concessions will accept cash payments and some will be able to take card payments.

SUPPORT

MECHANICAL SAFETY AND SUPPORT

Please ensure that your bikes and all equipment are in suitable condition for the event you are taking part.

It is advisable to bring a supply of spare parts / tyres that you may feel you may need

Any rider incurring a mechanical issue along the course must either deal with this themselves on course, or complete the lap to receive assistance at their team pit or from the mechanical support located in the paddock area

Mechanical support will be available in the REVOLVE24 Pit Garage throughout the event

MEDICAL SUPPORT

The entire circuit is marshalled by experienced race marshals from Brands Hatch, all connected to the organisers via radio.

Should you have an incident that requires medical attention if it is feasible please return to the paddock area where first aid provision will be available.

For a more serious incident that requires attention on the track the marshals will radio for assistance.

Should you require medical assistance please contact one of the Revolve24 Staff who will contact the medical support.

EXTRAS

SPORTS MASSAGE / TREATMENT

Sports Treatments are available in the rooms next to **REVOLVE24 GARAGE** and the entrance to the **MEDIA CENTRE**.

Following assessment by our massage team you will be offered a suitable treatment from a range of massage, icing, taping and stretching.

With one rider still being timed on the track as long as you have returned your timing chip you will be able to join them to celebrate your weekends achievements.

Please note that whilst the laps of the timed rider will still count no fastest laps or KOM / QOM can be achieved during this time. Also note that any teams with more than one chip registering on the track will

PARTICIPANTS MUST BE AT THEIR PRIZE GIVING TO RECEIVE THEIR PRIZE

EVENT PHOTOGRAPHY

Event photographs will be provided Free of Charge to participants in ALL Revolve24 events this year. Our photography will be provided by Epic Action Imagery.

All your photos from the event will be available after the event on our Photographer's Website on the following link:

www.epicactionimagery.com

For the 24hr, 12hr & 6hr Challenge events where riders are issued with handlebar numbers you will be able to locate your photos by inputting your rider number (without the hyphen) and you will be able to download images of the event from the website

SOCIAL MEDIA

We'll be very active during the weekend posting images, progress and quotes from riders and supporters in the race.

To help spread the news of progress please follow us on our Twitter and Facebook accounts @Revolve24.

Please tag us in any posts you make and we'll be sure to spread your news! #revolve24 #ridewithmates #lapsnotlanes

THE REVOLVE24 APP

GRID COMPETITION:

Grid positions and rider numbers have been determined based on rankings on the Revolve24 App, these positions were allocated based on rankings at midnight on Friday 31 August 2018.

2018 CHARITY GRID:

Many riders take part in our challenges to raise awareness and much needed funds for the charity of their choice.

To add a bit of fun to see who can raise the most we have created a **Charity Grid** that links to fund-raisers' Just Giving and Virgin Money pages (in much the same way as the Race Grid links to training sources).

The **Charity Grid** will close at the end of the Event at 15.00 on Sunday 16 September. So you can take photos, tweet your mates and get them to donate to the cause that you are supporting both before and DURING your challenge.

We know that fund-raising is at its most effective during an event so we hope that this helps with awareness and cash raised for all the charities.

LEAVING THE SITE

Please try and leave the Pit Garage, Paddock and Camp Site as close as possible to how you found them.

Help where you can by disposing of your own litter as you go along and before you leave the site.

Safe journey, and see you next year
